Sunday 22nd May

Quote for the Week: The Bible says, "If you want to know what God wants you to do, ask him, and he will gladly tell you ..." (James 1:5 TLB)

Community Shop: Open this Saturday.

Trip to Frogmore house, Windsor, on the 7th June arranged by our Community Shop, please add your name to the list this week if you wish to attend so coach arrangements can be finalised.

There has been an interest from some to start prayer partners – two or three people meeting once a week/fortnight to pray together. Please speak to Stefanie if you are interested in this, Let us keep the prayer life of St Francis alive, There are also some leaflets which you may find helpful for those who would like to try this.

If you shop at Sainsbury's and do not normally collect the vouchers the preschool would be very grateful to receive them.

If you have any foreign coins lying around in your 'special draw' or 'down the back of your sofa', a member of the Chaplains Team at the Cathedral is collecting them for charity, If you wish to put yours to good use, I am more than willing to deliver them to him when I do my next chaplaincy stint at the Cathedral, Thank YOU, Stefanie

Count down. Days to Go! Let us pray for Jamie and his friends as they prepare for this amazing challenge. Praying for the Lord to go before them and prepare those he – God is calling- and that the Holy Spirit give the team energy and safety as journey on this road.

This is an important part of church life and this gives us an opportunity to really connect with God as his people.
I believe we will hear and see of great things both large and small of what God will do through this commitment of his people

Look out for the list and sign up for an hour or more if you can.

A reminder for those who have not heard!

"A group of students, Jamie included, will be visiting 24 churches in Exeter on Saturday the 28th of May, between 07:30am and midnight. At each church, we will pray for the unreached people, missionaries, church planters and the persecuted Church of a specific country of the world, in the hope that they will be rescued from physical hardship and shepherded into eternity by the love of Jesus.

To help this happen, we are also accepting sponsorship, with money raised going to 'Doulos Partners', an organisation which works with church planters across the world to reach out spreading the Gospel truth and see people to give their lives to the Lord (become Christians) at an average cost of 40p each.

Below is a link to our fundraising page, and below that a link to a map showing our route":

It has been suggested that those who feel unable to sponsor Jamie's 24hour prayer walk might like to add a few coins in a jar placed at the coffee hatch, this will be added to money already donated in sponsorship.

On Jamie and his teams behalf, Thank You.
